**Your Time Is Gonna Come**

Lyin', cheatin', hurtin', that's all you seem to do.  
Messin' around with every guy in town,  
Puttin' me down for thinkin' of someone new.  
Always the same, playin' your game,  
Drive me insane, troubles gonna come to you,  
One of these days and it won't be long,  
You'll look for me, and, baby, I'll be gone.

\*Your Time Is Gonna Come (4 times)

Made up my mind to break you this time,  
Won't be so fine, it's my turn to cry.  
Do want you want, I won't take the brunt.  
It's fadin' away, can't feel you anymore.  
Don't care what you say 'cause I'm gone away to stay,  
Gonna make you pay for this great big hole in my heart.  
People talkin' all around,  
Watch out woman, no longer is  
The joke gonna be in my heart.

You been bad to me woman,  
But it's coming back home to you.

\* Chorus

**Black Mountain Side**

(instrumental)

**Communication Breakdown**

Hey, girl, stop what you're doin'!  
Hey, girl, you'll drive me to ruin.  
I don't know what it is about you,  
But I like it alot.  
Oh, let me hold you,  
Let me feel your lovin' charms.

\*Communication Breakdown,  
It's always the same,  
I'm having a nervous breakdown,

Drive me insane!

Hey, girl, I got something I think you ought to know.

Hey, babe, I wanna tell you that I love you so.  
I wanna hold you in my arms, yeah!  
I'm never gonna let you go,  
Yes, I like your charms.

\* Chorus

**I Can't Quit You, Baby**

I Can't Quit You, Baby,  
So I'm gonna put you down for awhile.  
I can't quit you, baby,  
I guess I gotta put you down for awhile.  
Said you messed up my happy home,  
Made me mistreat my only child.  
Yessir, you did!

Said you know I love you, baby,  
My love for you I could never hide.  
Oh, you know I love you, baby,  
My love for you I could never hide.  
Oh, when I feel you near me little girl  
I know you are my one desire.

When you hear me moaning and groaning,  
baby,  
You know it hurts me deep down inside.  
When you hear me moaning and groaning,  
baby,  
You know it hurts me deep down inside.  
Oh, when you hear me, honey, baby,  
You know you're my one desire.  
Yes, you are.

**How Many More Times**

How Many More Times,  
Treat me the way you wanna do?  
How Many More Times,  
Treat me the way you wanna do?  
When I give you all my love,  
Please, please be true.

I'll give you all I've got to give,  
Rings, pearls, and all.  
I'll give you all I've got to give,  
Rings, pearls, and all.  
I've got to get you together baby,  
I'm sure, sure you're gonna crawl.

I was a young man, I couldn't resist  
Started thinkin' it all over, just what I had missed.  
Got me a girl and I kissed her and then and then  
Whoops, oh Lordy, well I did it again.  
Now I got ten children of my own

I got another child on the way that makes eleven.  
But you know, I'm in constant heaven.  
I know it's all right in my mind  
I got a little schoolgirl and she's all mine  
I can't get through to her 'cause it doesn't permit  
But I'm gonna give her everything I've got to give.

Oh, Rosie, oh, girl  
Oh, Rosie, oh, girl  
Steal away now, steal away  
Steal away baby, steal away  
Little Robert Anthony wants to come and play.

Why don't you come to me baby?  
Steal away, all right, all right...

They call me the hunter, that's my name  
They call me the hunter, that's how I got my fame  
Ain't no need to hide,  
Ain't no need to run  
'Cause I've got you in the sights of my  
.....gun!

How Many More Times  
Barrelhouse all night long?  
How Many More Times  
Barrelhouse all night long?  
I've got to get to you, baby  
Baby, please come home.  
Why don't you please come home?  
Why don't you please come home?

### Good Times Bad Times

In the days of my youth  
I was told what it was to be a man,  
Now I've reached the age  
I've tried to do all those things the best I can.  
No matter how I try,  
I find my way to do the same old jam.

\*Good Times, Bad Times,  
You know I had my share;  
When my woman left home  
With a brown eyed man,  
Well, I still don't seem to care.

Sixteen: I fell in love  
With a girl as sweet as could be,  
Only took a couple of days  
Till she was rid of me.  
She swore that she would be all mine  
And love me till the end,  
When I whispered in her ear  
I lost another friend.

\* Chorus

I know what it means to be alone,  
I sure do wish I was at home.  
I don't care what the neighbors say,  
I'm gonna love you each and every day.  
You can feel the beat within my heart.  
Realize, sweet babe, we ain't ever gonna part.

### Babe, I'm Gonna Leave You

Babe, baby, baby, I'm Gonna Leave You.  
I said baby, you know I'm gonna leave you.  
I'll leave you when the summertime,  
Leave you when the summertime comes arollin'  
Leave you when the summer comes along.

Baby, baby, I don't wanna leave you,  
I ain't jokin' woman, I got to ramble.  
Oh, yeah, baby, baby, I won't be there,  
Really got to ramble.  
I can hear it callin' me the way it used to do,  
I can hear it callin' me back home.

I know, I never leave you, baby.  
But I got to go away from this place, I've got to quit you.  
Ooh, baby,  
Baby, ooh don't you hear it callin'?  
Woman, woman, I know, I know it's good to have you back again  
And I know that one day baby, it's really gonna grow, yes it is.  
We gonna go walkin' through the park every day.  
Hear what I say, every day.  
Baby, it's really growin', you made me happy when the skies were grey.  
But now I've got to go away  
Baby, baby, baby, baby  
That's when it's callin' me  
That's when it's callin' me back home...

### You Shook Me

You know you shook me,  
You shook me all night long.  
You know you shook me, baby,  
You shook me all night long.  
You shook me so hard baby,  
Baby, baby, please come home.

I have a bird that whistles,  
And I have birds that sing.  
I have a bird that whistles,  
And I have birds that sing.  
I have a bird won't do nothing, oh!  
Oh, oh, buy a diamond ring.

You know you shook me, baby,  
You shook me all night long.

I know you really, really, did baby.  
I said you shook me, baby.  
You shook me all night long.  
You shook me so hard, baby.  
You shook me all night long.

### **Dazed And Confused**

Been Dazed and Confused for so long it's not  
true,  
Wanted a woman, never bargained for you.  
Lots of people talk and few of them know,  
Soul of a woman was created below. Yeah!

You hurt and abused tellin' all of your lies,  
Run around sweet baby, Lord how they  
hypnotize.  
Sweet little baby, I don't know where you've  
been,  
Oh, I love you baby, here I come again.

Every day I work so hard  
Bringin' home my hard earned pay  
Try to love you baby, but you push me away.  
Don't know where you're goin'  
I don't know just where you've been,  
Sweet little baby, I want you again.

Been dazed and confused for so long, it's not  
true,  
Wanted a woman, never bargained for you.  
Take it easy baby, let them say what they will.  
Will your tongue wag so much when I send you  
the bill?

**Whole Lotta Love**

You need coolin', baby, I'm not foolin',  
I'm gonna say it, yeh! Go back to schoolin',  
Way down inside honey, you need it,  
I'm gonna give you my love,  
I'm gonna give you my love.  
\*Wanna Whole Lotta Love? (4 times)

You've been learnin', baby, I mean learnin',  
All them good times, baby, baby, I've been  
yearnin',  
Way, way down inside honey, you need it,  
I'm gonna give you my love,  
I'm gonna give you my love.

\* Chorus

You've been coolin', baby, I've been droolin',  
All the good times I've been misusin',  
Way, way down inside, I'm gonna give you my  
love,  
I'm gonna give you every inch of my love,  
Gonna give you my love.

\* Chorus

Way down inside, woman,  
You need love.

Shake for me, girl  
I wanna be your backdoor man.  
Hey, oh, hey, oh  
Oh, oh, oh  
Keep a-coolin', baby,  
Keep a-coolin', baby.

**What Is And What Should Never Be**

And if I say to you tomorrow,  
Take my hand, child, come with me.  
It's to a castle I will take you,  
Well, what's to be, they say will be.

\*Catch the wind, see us spin,  
Sail away, leave today,  
Way up high in the sky.

Then the wind won't blow,  
You really shouldn't go,  
It only goes to show  
That you will be mine  
By takin' our time. Ooh!

And if you say to me tomorrow,  
Oh what fun it all would be,  
Then what's to stop us, pretty baby,  
But What Is And What Should Never Be.

\* Chorus

So if you wake up with the sunrise,  
And all your dreams are still as new,  
And happiness is what you need so bad,  
Girl, the answer lies with you, yeah.

\* Chorus

**Heartbreaker**

Hey fellas, have you heard the news?  
You know Annie's back in town.  
It won't take long just to watch and see  
An' the fellas lay their money down.  
Her style is new but the face is the same  
As it was so long ago,  
But from her eyes is a different smile  
Like that of one who knows.

Well, it 's been ten years and maybe more  
Since I first put eyes on you;  
The best years of my life gone by,  
Here I am alone and blue.  
Some people cry and some people die  
By the wicked ways of love;  
But I'll just keep on rollin' along  
With the grace of the Lord above.

People talkin' all around 'bout the way you left  
me flat,  
I don't care what people say, I know where their  
jive is at.  
One thing I do have on my mind, if you can  
clarify please do,  
It's the way you call me by another guy's name  
when I try to make love to you!  
I try to make love but it ain't no use.  
Give it to me, give it!

Work so hard I couldn't unwind,  
Get some money saved;  
Abuse my love a thousand times,  
However hard I tried.  
Heartbreaker, your time has come,  
Can't take your evil way;  
Go away,  
Heartbreaker.

## Thank You

If the sun refused to shine,  
I would still be lovin' you.  
When mountains crumble to the sea,  
There'll still be you and me.

Kind woman, I give you my all,  
Kind woman, nothing more.

Little drops of rain whisper of the pain,  
Tears of loves lost in the days gone by.  
My love is strong, with you there is no wrong,  
Together we shall go until we die.  
My, my, my,  
Inspiration's what you are to me,  
Inspiration, look see.

And so today, my world it smiles,  
Your hand in mine, we walk the miles,  
Thanks to you it will be done,  
For you to me are the only one.  
Happiness, no more be sad,  
Happiness....I'm glad.

## Living Loving Maid (She's Just A Woman)

With a purple umbrella and a fifty cent hat,  
Livin', lovin', she's just a woman.  
Missus cool rides out in her aged Cadillac.  
Livin', lovin', she's just a woman.

\*Come on, babe on the round about,  
Ride on the merry-go-round,  
We all know what your name is,  
So you better lay your money down.

Alimony, alimony payin' your bills,  
Livin', lovin', she's just a woman.  
When your conscience hits you, knock it back  
with pills.  
Livin', lovin', she's just a woman.

\* Chorus

Tellin' tall tales of how it used to be.  
Livin', lovin', she's just a woman.  
With the butler and the maid and the servants  
three.  
Livin', lovin', she's just a woman.

\* Chorus

Nobody hears a single word you say.  
Livin', lovin', she's just a woman.  
But you keep on talkin' till your dyin' day.  
Livin', lovin', she's just a woman.

\* Chorus

## Ramble On

Leaves are falling all around,  
It's time on was on my way.  
Thanks to you, I'm much obliged  
For such a pleasant stay.

And now it's time for me to go,  
The autumn moon lights my way.  
But now I smell the rain,  
And with it pain,  
And it's headed my way.  
Ah, sometimes I grow so tired,  
But I know one thing I got to do,

\*Ramble On,  
And now's the time, the time is now  
To sing my song.  
I'm goin' 'round the world,  
I got to find my girl, on my way.  
Been this way ten years to the day, Ramble On,  
Find the queen of all my dreams.

Got no time to for spreadin' roots,  
The time has come to be gone.  
And tho' our health we drank a thousand times,  
It's time to Ramble On.

\* Chorus

Mine's a tale that can't be told,  
My freedom I hold dear;  
How years ago in days of old  
When magic filled the air,  
T'was in the darkest depth of Mordor  
I met a girl so fair,  
But golem, the evil one crept up  
And slipped away with her.  
Her, her....yea.  
Ain't nothing I can do, no.

**Immigrant Song**

Ah, ah,  
We come from the land of the ice and snow,  
>From the midnight sun where the hot springs  
blow.

The hammer of the gods  
Will drive their ships to new lands,  
To fight the horde, singing and crying:  
Valhalla, I am coming!  
On we sweep with threshing oar,  
Our only goal will be the western shore.

Ah, ah,  
We come from the land of the ice and snow,  
>From the midnight sun where the hot springs  
blow.

How soft your fields so green,  
Can whisper tales of gore,  
Of how we calmed the tides of war.  
We are your overlords.  
On we sweep with threshing oar,  
Our only goal will be the western shore.

So now you'd better stop and rebuild your ruins,  
For peace and trust can win the day  
Despite all your losing.

**Friends**

Bright light almost blinding,  
Black night still there shining,  
I can't stop, keep on climbing,  
Looking for what I knew.

Had a friend, she once told me,  
"You got a friend, you ain't lonely,"  
Now she's gone and left me only  
Looking for what I knew.

Mmm, I'm telling you now,  
The greatest thing you ever can do now,  
Is trade a smile with someone who's blue now,  
It's very easy just.

Met a man on the roadside crying,  
Without a friend, there's no denying,  
You're incomplete, they'll be no finding  
Looking for what you knew.

So anytime somebody needs you,  
Don't let them down, altho' it grieves you,  
Some day you'll need someone like they do,  
Looking for what you knew.

**Celebration Day**

Her face is cracked from smiling,  
All the fears that she's been hiding,  
And it seems pretty soon ev'rybody's gonna  
know.

And her voice is sore from shouting,  
Cheering winners who are losing,  
And she worries if their days are few  
And soon they'll have to go.

\*My, my, my, I'm so happy,  
I'm gonna join the band,  
We are gonna dance and sing and celebration,  
We are in the promised land.

She hears them talk of new ways  
To protect the home she lives in,  
Then she wonders what it's all about  
When they break down the door.

Her name is Brown or White or Black,  
You know her very well,  
You hear her cries of mercy  
As the winners toll the bell.

\* Chorus

There is a train that leaves the station  
Heading for your destination,  
But the price you pay has increased a dollar  
more.

Yes, it has!

And if you walk you're gonna get there  
Tho' it takes a little longer,  
And when you see it in the distance  
You will wring your hands and moan.

**Since I've Been Loving You**

Working seven to eleven ev'ry night,  
It really makes my life a drag,  
I don't think that's right.  
I've really, really been the best of fools,  
I did what I could,  
'Cause I love you, baby,  
How I love you, darling,  
How I love you, baby,  
How I love you, girl, little girl.  
But baby, Since I've Been Loving You, yeah,

I'm about to lose my worried mind, oh, yeah.

Ev'rybody trying to tell me  
That you didn't mean me no good.  
I've been trying, Lord, let me tell you,  
Let me tell you I really did the best I could.  
I've been working seven to eleven ev'ry night,  
It kinda makes my life a drag.  
Lord, you know it ain't right.  
Since I've Been Loving You,  
I'm about to lose my worried mind.

Said I've been crying,  
My tears they fell like rain,  
Don't you hear,  
Don't you hear them falling,  
Don't you hear,  
Don't you hear them falling.

Do you remember, mama, when I knocked upon  
your door?  
I said you had the nerve to tell me  
You didn't want me no more,  
I open my front door hearing my back door  
slam,  
You must have one of them new fangled,  
New fangled back door man,

I've been working from seven, seven, seven,  
To eleven ev'ry night,  
It kinda makes my life a drag, a drag, drag,  
Ah, yeah, it makes a drag.  
Baby, Since I've Been Loving You,  
I'm about to lose,  
I'm about to lose, lose my worried mind.

### **Out On The Tiles**

As I walk down the highway all I do is sing this  
song,  
And a train that passes my way helps the rythm  
move along.  
There is no doubt about the words are clear,  
The voice is strong, is oh so strong.

I'm just a simple guy and I live from day to day.  
A ray of sunshine melts the clouds and blows  
my blues away,  
There's nothing more that I can say but on a day  
like today  
I pass the time away and walk a quiet mile with  
you.

\*All I need from you is all your love,  
All you got to give to me is all your love,  
All I need from you is all your love,  
All you got to give to me is all your love.  
Oooh yeah, ooh yeah, ooh yeah, oh yeah.

I'm so glad I'm living and gonna tell the world I  
am,  
I got me a fine woman and she says that I'm her  
man,  
One thing that I know for sure gonna give her  
all the loving  
Like nobody, nobody, nobody, nobody can.

Standing in the noonday sun trying to flag a  
ride,  
People come and people go come, see my rider  
right by my side,  
It's a total disgrace, they set the pace, it must be  
a race  
And the best thing I can do is run.

\* Chorus

### **Gallows Pole**

Hangman, hangman, hold it a little while,  
Think I see my friends coming,  
Riding a many mile.  
Friends, did you get a little silver?  
Did you get a little gold?  
What did you bring me, my dear friends,  
To keep me from the Gallows Pole?  
What did you bring me to keep me from the  
Gallows Pole?

I couldn't get no silver, I couldn't get no gold,  
You know that we're too damn poor  
To keep you from the Gallows Pole.

Hangman, hangman, hold it a little while,  
I think I see my brother coming,  
Riding a many mile.  
Brother, did you get me some silver?  
Did you get a little gold?  
What did you bring me, my brother,  
To keep me from the Gallows Pole?

Brother, I brought you some silver,  
I brought a little gold,  
I brought a little of ev'ry thing  
To keep you from the Gallows Pole.  
Yes, I brought you to keep you from the  
Gallows Pole.

Hangman, hangman, turn your head awhile,  
I think I see my sister coming,  
Riding a many mile, mile, mile, mile, mile.  
Sister, I implore you, take him by the hand,  
Take him to some shady bower,  
Save me from the wrath of this man,  
Please take him,  
Save me from the wrath of this man, man.

Hangman, hangman, upon your face a smile,  
Pray tell me that I'm free to ride,

Ride for many mile, mile, mile.

Oh, yes, you got a fine sister,  
She warmed my blood from cold,  
Brought my face to boiling hot  
To keep you from the Gallows Pole,  
Your brother brought me silver,  
Your sister warmed my soul,  
But now I laugh and pull so hard  
And see you swinging on the Gallows Pole

### Tangerine

Measuring a summer's day,  
I only finds it slips away to grey,  
The hours, they bring me pain.

\*Tangerine, Tangerine,  
Living reflection from a dream;  
I was her love, she was my queen,  
And now a thousand years between.

Thinking how it used to be,  
Does she still remember times like these  
To think of us again?  
And I do.

\* Chorus

### That's The Way

I don't know how I'm gonna tell you  
I can't play with you know more,  
I don't know how I'm gonna do what mama told  
me,  
My friend, the boy next door.

I can't believe what people saying  
You're gonna let your hair hang down,  
I'm satisfied to sit here working all day long,  
You're on the darker side of town.

And when I'm out I see you walking,  
Why don't your eyes see me,  
Could it be you've found another game to play,  
What did mama say to me.

\*That's The Way,  
Oh, That's The Way it ought to be,  
Yeah, yeah, mama say  
That's The Way it ought to stay.

And yesterday I saw you standing by the river,  
And weren't those tears that filled your eyes,  
And all the fish that lay in dirty water dying,  
Had they got you hypnotized?

Yesterday I saw you kissing tiny flowers,  
But all that lives is born to die,  
And so I say to you that nothing really matters,

And all you do is stand and cry.

I don't know what to say about it,  
When all you ears have turned away,  
But now's the time to look and look again at  
what you see,  
Is that the way it ought to stay?

\* Chorus

### Bron-Y-Aur Stomp

Ah caught you smiling at me,  
That's the way it should be,  
Like a leaf is to a tree, so fine.

Ah all the good times we had,  
I sang love songs so glad  
Always smiling, never sad, so fine.

\*As we walk down a country lane,  
I'll be singing a song,  
Hear me calling your name.  
Hear the whisper in the trees,  
Telling Mother Nature 'bout you and me.

Well if the sunshines so bright,  
Or on our way it's darkest night  
The road we choose is always right, so fine.

Ah can your love be so strong  
When so many loves go wrong  
Will our love go on and on and on and on and  
on and on?

\* Chorus

My, my la de la come on now it ain't too far,  
Tell your friends all around the world,  
Ain't no companion like a blue eyed merle.  
Come on now well let me tell you,  
What you're missing, missing, 'round them brick  
walls.

So of one thing I am sure,  
It's a friendship so pure,  
Angels singing all around my door so fine.  
Yeah, ain't but one thing to do  
Spend my nat'ral life with you,  
You're the finest dog I knew, so fine.

When you're old and your eyes are dim,  
There ain't no old Shep gonna happen again,  
We'll still go walking down country lanes,  
I'll sing the same old songs,  
Hear me call your name.

### Hats Off To (Roy) Harper

When I done quit hollerin' baby

I believe I shake 'em on down  
Get my babe, won't be late,  
You know by that I mean seconds late  
Ah, must I holler,  
Must I shake 'em on down,  
Well I've been mistreated, babe,  
I believe I'll shake 'em on down.  
Shake ah.

Well I ain't no monkey.  
I can't climb no tree,  
No brown skin woman gonna make  
No monkey out of me,  
I ain't no monkey,  
I can't climb no tree,  
Been mistreated babe  
I believe I'll shake 'em on down,  
Well I've been mistreated babe  
I believe I'll shake 'em on down.

Listen mama,  
Gave my baby a twenty dollar bill,  
If that don't get her,  
Sure my shot, shot, shot-gun will,  
Yeah, I gave my baby a twenty dollar bill,  
If that don't get that woman,  
I'm sure my shot-gun will.  
Gonna go shoot her now.

**Black Dog**

Hey, hey, mama, said the way you move  
Gonna make you sweat, gonna make you  
groove.  
Oh, oh, child, way you shake that thing  
Gonna make you burn, gonna make you sting.  
Hey, hey, baby, when you walk that way  
Watch your honey drip, can't keep away.

\*Ah yeah, ah yeah, ah, ah, ah.  
Ah yeah, ah yeah, ah, ah, ah.

I gotta roll, can't stand still,  
Got a flame in my heart, can't get my fill,  
Eyes that shine burning red,  
Dreams of you all thru my head.

Ah ah ah ah ah ah ah ah ah ah ah ah.

Hey, baby, oh, baby, pretty baby,  
La la la la la la la.  
(Repeat)

Didn't take too long 'fore I found out  
What people mean my down and out.  
Spent my money, took my car,  
Started tellin' her friends she wants to be a star.  
I don't know but I been told  
A big legged woman ain't got no soul.

\* Chorus

All I ask for when I pray,  
Steady rollin' woman gonna come my way.  
Need a woman gonna hold my hand  
And tell me no lies, make me a happy man.

**Rock And Roll**

It's been a long time since I Rock and Rolled,  
It's been a long time since I did the Stroll.  
Ooh, let me get it back, let me get it back,  
Let me get it back, baby, where I come from.  
It's been a long time, been a long time,  
Been a long lonely, lonely, lonely, lonely,  
lonely time.

Yes it has.

It's been a long time since the book of love,  
I can't count the tears of a life with no love.  
Carry me back, carry me back,  
Carry me back, baby, where I come from.  
It's been a long time, been a long time,  
Been a long lonely, lonely, lonely, lonely,  
lonely time.

Seems so long since we walked in the  
moonlight,  
Making vows that just can't work right.  
Open your arms, opens your arms,  
Open your arms, baby, let my love come  
running in.  
It's been a long time, been a long time,  
Been a long lonely, lonely, lonely, lonely,  
lonely time.

**The Battle Of Evermore**

Queen of Light took her bow  
And then she turned to go,  
The Prince of Peace embraced the gloom  
And walked the night alone.

Oh, dance in the dark of night,  
Sing to the morn - ing light.  
The dark Lord rides in force tonight  
And time will tell us all.

Oh, throw down your plow and hoe,  
Rest not to lock your homes.

Side by side we wait the might  
Of the darkest of them all.

I hear the horses' thunder  
Down in the valley blow,  
I'm waiting for the angels of Avalon,  
Waiting for the eastern glow.

The apples of the valley hold,  
The seas of happiness,  
The ground is rich from tender care,  
Repay, do not forget, no, no.  
Oh,-----danceinthedarkofnight,  
sing to the morning light.

The apples turn to brown and black,  
The tyrant's face is red.

Oh the war is common cry,  
Pick up you swords and fly.  
The sky is filled with good and bad  
That mortals never know.

Oh, well, the night is long  
The beads of time pass slow,

Tired eyes on the sunrise,  
Waiting for the eastern glow.

The pain of war cannot exceed  
The woe of aftermath,  
The drums will shake the castle wall,  
The ring wraiths ride in black,  
Ride on.

Sing as you raise your bow,  
Shoot straighter than before.  
No comfort has the fire at night  
That lights the face so cold.

Oh dance in the dark of night,  
Sing to the mornin' light.  
The magic runes are writ in gold  
To bring the balance back.  
Bring it back.

At last the sun is shining,  
The clouds of blue roll by,  
With flames from the dragon of darkness  
The sunlight blinds his eyes.

### **Stairway To Heaven**

(J.Page, R.Plant)

There's a lady who's sure  
All that glitters is gold  
And she's buying a stairway to heaven.  
When she gets there she knows  
If the stores are all closed  
With a word she can get what she came for.  
Ooh, ooh, and she's buying a stairway to  
heaven.

There's a sign on the wall  
But she wants to be sure  
'Cause you know sometimes words have two  
meanings.  
In a tree by the brook  
There's a songbird who sings,  
Sometimes all of our thoughts are misgiven.  
Ooh, it makes me wonder,  
Ooh, it makes me wonder.

There's a feeling I get  
When I look to the west,  
And my spirit is crying for leaving.  
In my thoughts I have seen  
Rings of smoke through the trees,  
And the voices of those who standing looking.  
Ooh, it makes me wonder,  
Ooh, it really makes me wonder.

And it's whispered that soon  
If we all call the tune  
Then the piper will lead us to reason.

And a new day will dawn  
For those who stand long  
And the forests will echo with laughter.

If there's a bustle in your hedgerow  
Don't be alarmed now,  
It's just a spring clean for the May queen.  
Yes, there are two paths you can go by  
But in the long run  
There's still time to change the road you're on.  
And it makes me wonder.

Your head is humming and it won't go  
In case you don't know,  
The piper's calling you to join him,  
Dear lady, can you hear the wind blow,  
And did you know  
Your stairway lies on the whispering wind.

And as we wind on down the road  
Our shadows taller than our soul.  
There walks a lady we all know  
Who shines white light and wants to show  
How ev'rything still turns to gold.  
And if you listen very hard  
The tune will come to you at last.  
When all are one and one is all  
To be a rock and not to roll.

And she's buying a stairway to heaven.

### **Misty Mountain Hop**

Walkin' in the park just the other day, Baby,  
What do you, what do you think I saw?  
Crowds of people sittin' on the grass with  
flowers in their hair said,  
"Hey, Boy, do you wanna score?"  
And you know how it is;  
I really don't know what time it was, woh, oh,  
So I asked them if I could stay awhile.

I didn't notice but it had got very dark and I was  
really,  
Really out of my mind.  
Just then a policeman stepped up to me and  
asked us said,  
"Please, hey, would we care to all get in line,  
Get in line."  
Well you know,  
They asked us to stay for tea and have some fun,  
Oh, oh, he said that his friends would all drop  
by, ooh.

Why don't you take a good look at yourself and  
describe what you see,  
And Baby, Baby, Baby, do you like it?  
There you sit, sitting spare like a book on a shelf  
rustin'  
Ah, not trying to fight it.

You really don't care if they're coming, oh, oh,  
I know that it's all a state of mind, ooh.

If you go down in the streets today, Baby, you  
better,  
You better open your eyes.  
Folk down there really don't care, really don't  
care, don't care, really don't  
Which, which way the pressure lies,  
So I've decided what I'm gonna do now.  
So I'm packing my bags for the Misty  
Mountains  
Where the spirits go now,  
Over the hills where the spirits fly, ooh.  
I really don't know.

#### **Four Sticks**

Oh, Baby, it's cryin' time,  
Oh, Baby, I got to fly.  
Got to try to find a way,  
Got to try to get away,  
'Cause you know I gotta get away from you,  
Babe.

Oh, Baby, the river's red,  
Oh, Baby, in my head.  
There's a funny feelin' goin' on,  
I don't think I can hold out long.

\*And when the owls cry in the night,  
Oh, Baby, Baby, when the pines begin to cry,  
Baby, Baby, Baby, how do you feel?  
If the river runs dry, Baby,  
How do you feel?

Craze, Baby, the rainbow's end,  
Mmm, Baby, it's just a den  
For those who hide,  
Who hide their love to depths of life  
And ruin dreams that we all knew so, Babe.

\* Chorus

#### **Going To California**

Spent my days with a woman unkind,  
Smoked my stuff and drank all my wine.  
Made up my mind to make a new start,  
Going To California with an aching in my heart.

Someone told me there's a girl out there  
With love in her eyes and flowers in her hair.  
Took my chances on a big jet plane,  
Never let them tell you that they're all the same.

The sea was red and the sky was grey,  
Wondered how tomorrow could ever follow  
today.

The mountains and the canyons started to  
tremble and shake  
As the children of the sun began to awake.

Seems that the wrath of the Gods  
Got a punch on the nose and it started to flow;  
I think I might be sinking.  
Throw me a line if I reach it in time  
I'll meet you up there where the path  
Runs straight and high.

To find a queen without a king;  
They say she plays guitar and cries and sings.  
La la la la  
Ride a white mare in the footsteps of dawn  
Tryin' to find a woman who's never, never,  
never been born.  
Standing on a hill in my mountain of dreams,  
Telling myself it's not as hard, hard, hard as it  
seems.

#### **When The Levee Breaks**

If it keeps on rainin', levee's goin' to break,  
If it keeps on rainin', levee's goin' to break,  
When The Levee Breaks I'll have no place to  
stay.

Mean old levee taught me to weep and moan,  
Lord, mean old levee taught me to weep and  
moan,  
Got what it takes to make a mountain man leave  
his home,  
Oh, well, oh, well, oh, well.

Don't it make you feel bad  
When you're tryin' to find your way home,  
You don't know which way to go?  
If you're goin' down South  
They go no work to do,  
If you don't know about Chicago.

Cryin' won't help you, prayin' won't do you no  
good,  
Now, cryin' won't help you, prayin' won't do  
you no good,  
When the levee breaks, mama, you got to move.

All last night sat on the levee and moaned,  
All last night sat on the levee and moaned,  
Thinkin' 'bout me baby and my happy home.  
Going, go'n' to Chicago,  
Go'n' to Chicago,  
Sorry but I can't take you.  
Going down, going down now, going down.

### The Song Remains The Same

(Page/Plant) (5:24)

I had a dream- crazy dream  
Anything I wanted to know  
Any place I needed to go

Hear my song- sing along  
Any little song that you know  
Everything that's small has to grow.

California sunlight, sweet Calcutta rain  
Honolulu starbright- the song remains the same.

Sing out Hare Hare, dance the Hoochie Koo.  
City lights are oh so bright, as we go sliding  
sliding  
sliding through.

### The Rain Song

(Page/Plant) (7:32)

This is the springtime of my loving-  
the second season I am to know  
You are the sunlight in my growing-  
so little warmth I felt before.

It isn't hard to feel me glowing-  
I watched the fire that grew so low.  
It is the summer of my smiles-  
flee from me Keepers of the Gloom.  
Speak to me only with your eyes  
it is to you I give this tune.

It isn't hard to recognise-  
these things are clear to all from  
time to time.

Talk Talk-  
I felt the coldness of my winter  
I never thought it would ever go  
I cursed the gloom that set upon us  
but I know that I love you so  
but I know that I love you so.

These are the seasons of emotion  
And like the winds they rise and fall  
This is the wonder of devotion-

I see the torch we all must hold.  
This is the mystery of the quotient-  
Upon us all a little rain  
must fall.

### Over The Hills And Far Away

(Page/Plant) (4:42)

Hey lady- you got the love I need  
oh Maybe- more than enough  
oh Darling Darling walk a while with me  
- oh you've got so much-

Many times I loved  
Many times been bitten  
Many times I've gazed  
Along the open road.

Many times I've lied  
Many times I've listened  
Many times I've wondered  
How much there is to know.

Many dreams come true  
And some have silver linings  
I live for my dream  
And a pocketful of gold.

Mellow is the man  
Who knows what he's been missing  
Many many men  
Can't see the open road.

Many is a word  
That only leaves you guessing  
Guessing 'bout a thing  
You really ought to know  
You really ought to know

### Dancing Days

(Page/Plant) (3:40)

Dancing days are here again  
As the summer evenings grow  
I got my flower, I got my power  
I got a woman who knows.

### CHORUS

You know it's alright  
I said it's alright  
You know it's all in my heart  
You'll be my only, my one and only  
Is that the way it should start?

Crazy ways are evident  
In the way that you're wearing your clothes  
Suppin' boze is precedent  
As the evening starts to glow.

### CHORUS

I told your mamma I'd get you home  
But I didn't tell her I had no car  
I saw a lion he was standing alone  
With a tadpole in a jar.

### CHORUS

Dancing days are here again  
As the summer evening grows  
You are my flower, you are my power  
You are my woman who knows.

### CHORUS

### D'ver Mak'er

(Bonham/Jones/Page/Plant) (4:19)

Oh oh oh oh oh oh  
You don't have to go oh oh oh oh oh  
You don't have to go oh oh oh oh oh  
Baby please don't go.

Ay ay ay ay ay ay  
All those tears I cry ay ay ay ay ay  
All those tears I cry ay ay ay ay ay  
Baby please don't go.

### CHORUS

When I read the letter you wrote  
it made me mad mad mad  
When I read the news that it brought me  
It made me sad sad sad.  
But I still love you so  
I can't let you go  
I love you- ooh baby I love you.

Oh oh oh oh oh oh  
Every breath I take oh oh oh oh oh  
Every move I make oh oh oh oh oh  
Baby please don't go.

Ay ay ay ay ay ay  
You hurt me to my soul ay ay ay ay ay  
You hurt me to my soul ay ay ay ay ay  
Darling please don't go.

### CHORUS

Oh oh oh oh oh oh  
You don't have to go oh oh oh oh oh  
You don't have to go oh oh oh oh oh  
(Baby please don't go)

(Whatever happened to Rosie and the  
Originals?)

### No Quarter

(Jones/Page/Plant)

Close the doors, put out the light  
You know they won't be home tonight  
The snow falls hard and don't you know  
The winds of Thor are blowing cold

They're wearing steel that's bright and true  
They carry news that must get through  
They choose the path where no-one goes  
They hold no quarter.  
They ask no quarter.

Walking side by side with death  
The devil mocks their every step  
The snow drives back the foot that's slow  
The dogs of doom are howling more  
They carry news that must get through  
To build a dream for you and me  
They choose the path where no-one goes  
They hold no quarter, they ask no quarter.

### **The Ocean**

(Bonham/Jones/Page/Plant) (4:28)

Singing in the sunshine, laughing in the rain  
Hitting on the moonshine, rocking in the grain  
Ain't no time to pack my bag, my foots outside  
the door  
Got a date, can't be late for the high hopes hailla  
ball.

Singing to an ocean, I can hear the ocean's roar  
Play for free, play for me and play a whole lot  
more  
Singing of the good things and the sun that  
lights the day  
Singing to the ocean, has the ocean lost its way.

Sitting round singing songs til the night turns  
into day  
Used to sing on the mountains but the  
mountains washed away  
Now I'm singing all my songs to the girl who  
won my heart  
She is only three years old and it's a real fine  
way to start.

**Custard Pie**

Rock down, lady, by the sea  
Rock down, mama, just dream of me  
Mama, love me, fool around all night long  
Well, I'm made of braken gravy  
I should know right from wrong

See me comin' slowly on by your door  
Ain't no stranger, I been this way before  
See me comin', mama, slowly on by your door  
I ain't no stranger, I been this way before

Put on your night shirt and your morning gown  
You know by night I'm gonna shake 'em on  
down  
Put on your night shirt, mama  
And your morning gown  
Well, you know by night  
I'm surely gonna shake 'em on down  
Shake it, shake it

Ooh, your custard pie, ain't seen the like  
When you cut it, mama, save me a slice  
Your custard pie, I declare, ain't seen the like  
I like your custard pie  
When you cut it, mama  
Mama, please save me a slice, oh

Chew on a piece of your custard pie (Repeat)  
Drop down (Repeat)

**The Rover**

I've been to London, seen seven wonders  
I know to trip is just to fall  
I used to walk it, sometimes I'd roll it  
I always knew what it was for  
There can't be no denyin'  
That the wind is shakin' down

And the flatworm cryin'  
And the new plague on the land

\*If we could just join hands  
If we could just join hands  
If we could just join (hands)

Converse the planet when heaven send me  
I saw the kings who rule them all  
Still by the firelight and purple moonlight  
I hear the rustin' rivers call  
And the wind is cryin'  
I'm a little bit more grown cold  
My lover, she is lyin'  
On the dark side of the globe

(\* Repeat)

You got me rockin' when I ought to be alone  
Darlin', come on, tell me, darlin', which way to  
go  
You keep me rockin', baby, then you keep me  
spinnin'  
Won't you tell me darlin', which way to go  
That's right

Oh how I wonder, oh how I worry  
And I would dearly like to know  
I always wonder if earthly plunder  
Will leave us anything to show  
And our time is flyin'  
See the candle burnin' low  
Is the new world risin' from the shambles of the  
old

If we could just join hands (Repeat)  
If we could just, if we could just (Repeat)  
Join hands  
That's all it takes (Repeat)  
Yeah, yeah, yeah (Repeat) that's right (Repeat)

**In My Time Of Dying**

In my time of dyin', want nobody to moan  
All I want them to do is take my body home

\*Well, well, well, so I can die easy  
Well, well, well, so I can die easy

Jesus, got to make you, shiver  
Jesus, gonna make you  
Jesus, gonna make you my dyin' bed

Meet me, Jesus, meet me  
Ooh, meet me in the middle of the air  
If my wings should fail me. lord  
Oh, please meet me with another pair

(\* Repeat)

Jesus, gonna make you, somebody, somebody  
Oh, Jesus, gonna make you  
Jesus gonna make you my dyin' bed

Oh, Saint Peter, I can make amends  
Won't you let me in  
I never did no wrong, I never did no wrong  
Oh, oh Gabriel, let me blow your horn  
Let me blow your horn  
I never did no wrong, did no wrong  
I only can be young once  
I never thought I'd do anybody no wrong  
No not once

Oh, I did somebody so good  
Somebody some good, yeah  
Oh, did somebody some good, yeah  
I must have did somebody some good, yeah  
Oh, I believe I did, I seen the smilin' faces  
I know I must have left some traces

And I seen them in the streets  
And I seen them in the theater  
And I even felt my feet  
And I never tried to be real  
Oh, lord, deliver me all the wrongs I've done  
Oh, you can deliver me, lord  
I only wanted to have some fun

Oh, keep the angels marchin', marchin'  
Keep them marchin', keep them marchin',  
marchin'  
Oh, my Jesus (Repeat)  
That's got to be my Jesus  
It's got to be, it's got to be my Jesus  
It's got to be, oh it's got to be my Jesus  
Oh, gonna take me home  
Come on, come on  
I can hear the angels singin', oh  
Here they come, here they come, here they  
come  
Bye bye, bye bye, bye bye, bye bye, bye bye  
Oh, it's pretty good up here, pretty good up here  
I'll touch Jesus (Repeat)  
Oh, oh yeah, I seen him, yeah, come on  
Oh, don't you make it my dyin', dyin', dyin',  
cough

(That's gonna be a long ending. Come have a  
listen then.)  
(Oh yes, thank you.)

### Houses Of The Holy

Let me take you to the movies  
Can I take you to the show  
Let me be yours ever truly  
Can I make your garden grow

>From the houses of the holy

We can watch the white doves go  
>From the door comes Satan's daughter  
And it only goes to show that you know

There's an angel on my shoulder  
In my hand a sword of gold  
Let me wander in your garden  
And the seeds of love I'll sow, you know

So the world is spinning faster  
Are you dizzy when you're stoned  
Let the music be your master  
Will you heed the master's call  
Oh, Satan and man

Said there ain't no use in cryin'  
'Cause it'll lonely only drive you mad  
Does it hurt to hear him lyin'  
Was this the only world you had, oh

So let me take you, take you to the movie  
Can I take you, baby, to the show  
Why don't you let me be yours ever truly  
Can I make your garden grow, you know I'll try

### Trampled Under Foot

Grease me down, good electric  
I could lay it on the road, mama, it ain't no trick

\*Talkin' 'bout love, talkin' 'bout love  
Talkin' 'bout

Oh, trouble free transmission puncture to  
explode  
Mama let me pump your gas  
Mama let me do it all

(\* Repeat)

Take that heavy metal underneath your hood  
Baby, I could rev all night, leave a big pile of  
tubes

(\* Repeat)

Automobile club covered, really built in style  
Special tradition, mama, come feast your eyes

(\* Repeat)

Factory air conditioned, took me by surprise  
Guaranteed to run for hours, mama, brand new  
tires

(\* Repeat)

Groovin' on the freeway, drivin' on the road  
>From now on my gasoline is gonna be free of  
lead

(\* Repeat)

I can't stop talkin' about  
I can't stop talkin' about, oh yes, drive on

Come to me for service every hundred miles  
baby, let me change your valves, fix your  
overdrive

(\* Repeat)

Fully automatic, comes in any size  
Makes me wonder what I did before I got  
synchronized

(\* Repeat)

Oh, baby, like suspension I just couldn't hold  
I'm so glad I took a look inside you showroom  
door

(\* Repeat)

I can't stop talkin' about love  
I can't stop talkin' about love  
Oh, let me let it down (Repeat)  
I can't stop talkin' about  
I can't stop talkin' about love, my baby . . .

### Kashmir

Oh, let the sun beat down upon my face  
And stars fill my dream  
I'm a traveller of both time and space  
To be where I have been  
To sit with elders of the gentle race  
This world has seldom seen  
They talk of days for which they sit and wait  
All will be revealed

Talk in song from tongues of lilting grace  
Sounds caress my ear  
And not a word I heard could I relate  
The story was quite clear

Ooh, baby, I been blind  
Oh, yeah, mama, there ain't no denyin'  
Oh, ooh yes, I been blind  
Mama, mama, ain't no denyin', no denyin'

All I see turns to brown  
As the sun burns the ground  
And my eyes fill with sand  
As I scan this razor line  
Can I find, can I find where I've been

Oh, pilot of the storm who leaves no trace  
Like sorts inside a dream  
Leave the path the led me to that place

Yellow desert stream  
Like Shangri-la beneath the summer moon  
I will return again  
As the dust that floats finds you  
Will move and search Kashmir

Oh, father of the four winds fill my sails  
Cross the sea of years  
With no provision but an open face  
Along the straits of fear

Oh, when I want, when I'm on my way, yeah  
And my feet wear my fickle way to stay  
Ooh, yeah yeah, ooh, yeah yeah, but I'm down  
Ooh, yeah yeah, ooh, yeah yeah, but I'm down,  
so down  
Ooh, my baby, oh, my baby  
Let me take you there  
Come on, oh let me take you there  
Let me take you there

### In The Light

And if you feel that you can't go on  
And your will's sinking low  
Just believe and you can't go wrong  
In the light you will find the road  
You'll find the road

Hey, ooh, did you ever believe  
That I could leave you standin' out in the cold  
Hey, baby, I know how it feels  
'Cause I have slipped through  
To the very depths of my soul  
Oh, baby, I just want to show you what I'd give  
you  
In case you ever been on the road  
Now, listen, oh, as I was and would do for you,  
too  
Honey, as you would do for me  
I would share your load, let me share load  
Ooh, let me share you load

And if you feel that you can't go on  
In th light you will find the road

Hey, oh the winds of change my blow around  
you  
But that will always be so  
Oh wo, when love is pain it can devour you  
If you are ever alone  
I'll share your load, I will share your load  
Baby, let me, oh let me, in the light  
Everybody needs a light, oh yeah, oh baby  
Everybody, everybody, everybody sure 'nuff  
they do  
Light, light, light, in the light (Repeat)

### Bron-Yr-Aur \*

(Instrumental)

### **Down By The Seaside**

Down by the seaside  
See the boats go sailin'  
Can the people hear, oh  
What the little fish are sayin'

\*The people turned away  
The people turned away

Down in the city streets  
See all the folk go racin', racin'  
No time left, no no  
To pass the time of day

(\* Repeat)

So far away, so far away

See how they run, see how they run  
See how they run, see how they run  
Run, run, run

Do you still do the twist  
Do you find you remember things that well  
I want to tell you, some folks twistin' every day  
Though sometimes it's awful hard to tell

Out in the country  
Hear the people singin'  
Singin' 'bout their progress  
Knowin' where they're goin', yeah, yeah

(\* Repeat)

Sing loud for the sunshine  
Pray hard for the rain  
And show your love for lady nature  
And she will come back again

(\* Repeat)

Now they know where they're goin'

### **Ten Years Gone**

Then as it was, then again it will be  
Though the course may change sometimes  
Rivers always reach the sea

Like stars of fortune  
Each has separate rays  
On the wings of maybe  
Down in birds of prey  
Kind of makes me feel sometimes  
I didn't have to grow  
But as the eagle leaves the nest  
He got so far to go

Changes fill my time  
Baby, that's all right with me  
In the midst I think of you  
And how it used to be

Did you ever really need somebody  
And really need 'em bad  
Did you ever really want somebody  
The best love you ever had  
Do you ever remember me, baby  
Did it feel so good  
'Cause it was just the first time  
And you knew you would

Turn the eyes and I sparkle  
Senses growing keen  
Tasting love along the way  
See your feathers preen  
Kind of make you feel sometimes  
Didn't hard to grow  
We are eagles of one nest  
The nest is in our souls

Vixen in my dreams with great surprise to me  
Never thought I'd see your face the way it used  
to be  
Oh darlin', oh darlin' (Repeat)  
I'm never gonna leave you, I'm never gonna  
leave you  
Ten years gone, holdin' on, ten years gone  
(Repeat)

### **Night Flight**

I received a message from my love across the  
water  
You sat laughin' as you wrote the ends in sight  
So I said goodbye to all my friends  
And packed my hopes inside a matchbox  
'Cause I know it's time to fly

\*Oh yeah, come on, meet me in the morning  
(won't you)  
Meet me in the middle of the night (night night)  
Oh yeah, the mornin' light is comin'  
Don't it make you wanna (try to) feel all right

I just jumped a train that never stops  
So now so how'll they know I never finished  
Payin' for my ride  
Just now someone pushed the dime into my  
hand  
Tell me I'm the type of man  
To fight the fight that I'll require

(\* Repeat)

Oh, mama, well I think it's time I'm leavin'  
Nothin' here to make me stay

Oh, mama, well it must be time I'm goin'  
They're knockin' down them doors  
They're tryin' to take me away

Please Mr. Brakeman, won't you ring your bell  
And ring it loud and clear  
Please Mr. Fireman, won't you ring your bell  
And tell the people they got to fly away from  
here

I once saw a picture of a lady with a baby  
Southern lady, had a very, very special smile  
We ware in the middle of a change in  
destination  
When the train starts, all together we will smile

Oh, come on, come on, now meet me in the  
morning  
Won't you meet me in the middle of the night  
Night, night, night  
Oh yeah, everybody knows the mornin' time is  
comin'  
Don't it make you wanna feel all right  
Oh, yeah, make me feel all right, fly now, baby  
Get to fly, yeah, fly my baby

### **The Wanton Song**

See you movin' in the night again  
Tell me I see too much, baby  
Same old thing, I'm on a plane  
And the wheel rolls on  
Silent moves through the flames  
>From the deep behind the soul  
Guess my nightmares have now begun  
Left me barely holdin' on

To strangers I seem a gentleman  
When we know the time has come  
Lose my sense and lose command  
You know even rivers run  
Seems like every time I fall  
I think this is the one  
Oh, in the darkness can you hear me call  
Another day has just begun, another day

See all of my faces is changed  
Some have a ways to come  
Even my fire needs a brand new flame  
And the wheel rolls on, rolls on

### **Boogie With Stu**

Been in town, my baby  
We just got to run home  
Yeah, darlin', we just got to go home  
I don't want no tutti-frutti, no lollipop  
Come on, baby, just rock, rock, rock

Yeah, yeah, yeah, yeah honey

We been shakin' all night  
Oh, darlin' we just got to run right  
Ooh, my head, rock on, rock on

Hey baby, hey baby (Repeat)  
I don't want no tutti-frutti, no lollipop  
Come on, baby, just rock, rock, rock

I don't want no tutti-frutti, no lollipop  
Come on, baby, just rock, rock, rock

### **Black Country Woman**

(Shall we roll it, Jimmy? We're rolling on what,  
one?)

(No, one again)

(Got to get this airplane on)

(Naw, leave it, yeah)

Hey, hey, mama, what's the matter here  
Hey, hey, mama, what's the matter here  
You didn't have to tell me that you love me so  
Didn't have to love me, mama, let me go  
Hey, hey, mama, what's the matter here  
You didn't have to make me a total disgrace  
Didn't have to leave me with that beer in my  
face  
Hey, hey, mama, what's the matter here  
Oh, that's all right, it awful doggone clear

Hey, hey, baby, why you treat me mean  
Oh oh, baby, why you treat me mean  
You didn't have to crucify me like you did  
You didn't have to tell me I was just your kid  
Hey, hey, mama, why'd you treat me mean  
You didn't have to say you'd always be by my  
side  
Didn't have to tell me you'd be my blushing  
bride  
Hey, hey, baby, why you treat me mean  
But that's all right, I know your sister, too

You didn't have to tell me that you love me so  
You didn't have to leave me, mama, let me go  
Hey, hey, mama, what is wrong with you  
You didn't have to leave me like a total disgrace  
You didn't have to leave me with that beer on  
my face  
Hey, hey, mama, what is wrong with you  
Oh, but that's all right, I'd be the same way, too,  
oh yeah

Now, my baby, you didn't have to crucify me  
like you did  
You didn't have to tell me I was just your kid  
Hey, hey, mama, what's the matter here  
You didn't have to tell me you would be my  
own  
You didn't have to tell me, baby, let me go  
Hey, hey, mama, what is wrong with you

Oh, that's all right, I know your sister, too  
Oh yeah, yeah, oh yeah  
What's the matter with you, mama

### **Sick Again**

On the window of your ready little scene  
I'm lookin' in your eyes  
One day soon you're gonna reach sixteen  
Ain't a lady in the city of lights

\*Oh, do you know my name  
Do I look the same

You know I'm the one you want, baby  
I must be the one you need, yeah

Reflections, baby, from your teenage dream  
In the lobby of a hotel cafe dive  
Through the circus of the L. A. queens  
I passed you round, went right on by  
Oh, how you play the game  
Still don't know your name  
You know I'm the one you want, baby  
Yes I'd love to be the one you need  
Oh, you got to tell me

Get this, get this  
Lips like cherries on the frown of a queen  
Come on, flash it right in my eyes  
Said you dug me since you were thirteen  
Then you giggle as you hurt inside

(\* Repeat)

Baby, I got to tell you I'm the one you want  
And everybody knows I'm the one you need,  
yeah  
Oh get it, come on, now (Repeat)

Hours, hours, and the moments in between  
Oh baby, I could count the times  
I've thought of comin' on a plane and leavin'  
Baby, dry those silver eyes

(\* Repeat)

You know I'm the one you want  
Yes, I'm the one you need  
Oh, that's right

**Achilles Last Stand**

It was an April morning  
When they told us we should go  
As I turn to you  
You smiled at me  
How could we say no?

With all the fun to have  
To live the dreams we always had  
Woa the songs to sing  
When we at last return again

Sending off a glancing kiss  
To those who claim they know  
To know the streets the seaman hears  
The devil is in his hole

Oh to sail away  
To sandy lands and other days  
Oh to touch the dream  
Hides inside and never seen, yeah

Into the sun the south the north  
Lies the first of hope  
The shackles of commitment fell  
In pieces on the ground

Oh to ride the wind  
To tread the air above the din  
Oh to laugh aloud  
Dancing as we fought the crowd

To seek the man whose pointing hand  
The giant step unfolds  
With guidance from the curving path  
That churns up into stone

If one bell should ring  
In celebration for a king  
So fast the heart should beat  
As proud the head with heavy feet, yeah

(Cool Guitar Solo)

Days went by when you and I  
Made an eternal summers glow

As far away and distant  
Our mutual time to grow

Oh the sweet refrain  
Soothes the soul and calms the pain  
Oh Albion remains, sleeping now to rise again

Wandering upon the rings  
What place to rest the search  
The mighty arms of Atlas  
Hold the heavens from the earth

The mighty arms of Atlas  
Hold the heavens from the earth

From the earth  
Oooooooooooooooooooh

I know the way, know the way, know the way,  
know the way (2x)

Ooh, ahh, etc...

Oh the mighty arms of Atlas  
Hold the heavens from the earth  
Oooh, ahh, etc...

**For Your Life**

You said I was the only, oh, oh  
With my lemon in your hand  
Exhibition is your habit  
Emotions second hand, oh, oh  
Had to pull away to save me  
Maybe next time around  
And she said, don't you wannit?  
Don't you want coca-coca-cocaine?  
Hadn't planned to, could not stand to  
Try it, friend, yeah, na, na, yeah  
Whoo ooh ooh ooh

Heard a cry for mercy  
In the city of the damned  
Oh oh babe, damned  
Impossible to go lower  
The next stop's on the ground  
Oh, low on the ground  
You want to know is it quite over  
To fame and tears and losing hair  
And I said didn't mean to... did not mean to f-  
fail  
You didn't plan it, you overran it...yeeeeeeeah!

You wanna do it, you wanna  
You wanna do it when you wanna  
You wanna do it, do it when you wanna

When you blow it, babe  
You got to blow it right  
Oh baby, if you fake it, mama

Baby, fake with all your might  
When you fake it, mama  
Please fake it right

For yourself, babe, will you fake it?  
You're fakin' it for your life  
For your life  
For your life  
For your life

Do it, do it, do it, do it, do it  
Do it when you wanna  
Do it, do it, do it  
Do it when you wanna

Oh, I can have you, baby  
But I don't know what to do, yeah  
Sometime, baby, nothin' I could do

Wanna find myself a crystal  
Payin' through the nose

And when they couldn't resist you  
I said "Just go with the flow"

And now your stage is empty  
and now the curtain, baby please.  
Fold up your show

Hadn't planned to  
Could not stand to  
(fryin!)  
Hadn't planned it  
I over ran in  
(fryin!)  
For your life  
For your life

### Royal Orleans

One town love  
You better take care how you use it  
Try to make it last all night  
And if you take your pick  
Be careful how you choose it  
Sometimes its hard to feel it bite  
Feel it bite

A man I know, went down to Louisiana  
Had himself a bad, bad fight  
And when the sun peeks through  
John Cameron he sees (sandy???)  
He kissed the whiskers and left and right  
Whiskers!

Now, now, now  
A fight subsides  
Out at a hotel in the quarter  
A friendship took a bash tonight  
Now love gets hot

Look far for a sea with water  
Grew whiskers sittin' there through the night

Whiskers!

Down on Bourbon street  
You know it's right  
You can see my friend  
When they run around us in the night  
Most everywhere  
Until the closet's bare  
Run for the razor, fun  
Doin' up my hair

New Orleans queens  
Sure know how to schmooz it  
Maybe for some that seems alright  
When I step out  
I'm struck down with my sugar  
She wears my cloak like fairy white  
Now, one town love  
Take care how you use it  
And try to make it last all night  
Take your pick  
Be careful how you choose it  
Sometimes it's hard to feel it bite.

Nobody's Fault But Mine

Ah, ah, ah ...

Oh, nobody's fault but mine  
Nobody's fault but mine, yeah  
Trying to save my soul to light  
Oh, it's nobody's fault but mine

Devil he told me to roll  
The devil he told me to roll  
How to roll the line tonight  
Nobody's fault but mine

Ah, ah, ah ...

Somebody show me the (gun? door? gong?)  
Somebody show me the ding dong ding dong  
I will get down rolling tonight ??????????  
Oh, it's nobody's fault but mine

That monkey on my back  
The m-m-m-m-monkey on my back, back, back  
Gonna change my ways tonight  
Nobody's fault but mine

### Candy Store Rock

Ohhh baby its alright, oh its alright  
Ohhh baby its alright, oh its alright

**Hots On For Nowhere**

I was burned in the heat of the moment,  
Oh! it could've been the heat of the day  
When I learned how my time had been wasted,  
Dear fellows I turned away  
Now I've got friends who will give me their shoulder,  
When I should happen to fall  
Time and his bride growing older  
I've got friends who will give me fuck all  
???????????

La, la, la, la, la, la, yeah  
La, la, la, la, la, na, na, baby  
La, la, la, la, la, la, yeah  
La, la, la, la, la, la

Corner of Bleeker and nowhere  
In the land of not quite day  
A shiver runs down my backbone  
Face in the mirror turns grey  
So, I looked 'round for a hitch from a reindeer  
Said you oughtta find him out in the day  
I turned 'round to look for the snowman  
To my surprise he'd melted away, yeah

La, la, la, la, la, la, yeah  
La, la, la, la, la, na, na, baby  
La, la, la, la, la, la, yeah  
La, la, la, la, la, la

The moon and the stars out of order  
As the tide tends to ebb and sway  
The sun in my soul's sinking lower  
While the hope in my hands turns to clay  
I don't ask that my feet fall on clover  
I don't roam at opportunity's door  
Why don't you ask my advice, take it slower  
Then your story'd be your finest reward  
???????????

La, la, la, la, la, la, yeah  
La, la, la, la, la, na, na, baby  
La, la, la, la, la, la, yeah  
La, la, la, la, la, la

Oh, oh, oh

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

[guitar solo]

Lost on the path to attainment  
Search in the eyes of the wise  
When I bled from the heart of the matter  
(matchhead?)  
I started bleeding without a disguise  
Now everything's finally happened  
Now and then you've got to take time to pause  
When you're down on the ground, don't be  
messin' around  
Or you'll land in a boat without oars

La, la, la, la, la, la, yeah  
La, la, la, la, la, na, na, baby  
La, la, la, la, la, la, yeah  
La, la, la, la, la, la

Hey babe, Hey babe, Hey babe,  
I lost my way.

Hey babe, Hey babe,  
I really, really did now.

Hey babe, Hey babe,  
I don't know where I'm gonna find it.

Hey babe, Hey babe,  
Do you wanna know,  
Do you really, really, wanna help me, yeah?

Let me tell you now, babe  
Let me tell you  
That it feels so good that it must be right

Now my babe,  
Let me tell you  
That it feels so good that it must be right

Now my babe,  
Let me tell you  
If it feels, if it feels, if it feels, if it feels so good,  
so good, so good  
Oh, yes.

### **Tea For One**

How come twenty four hours  
Baby sometimes seem to slip into days  
Oh twenty-four hours  
Baby sometimes seem to slip into days  
When a minute seems like a lifetime  
Ooh baby when I feel this way

Sittin, lookin at the clock  
Oh time moves so slow

I've been watchin for the hands to move  
Until I just can't look no more

How come twenty four hours  
Baby sometimes seems to slip into days  
A minute seems like a lifetime  
Baby when I feel this way

To sing a song for you  
I recall you used to say  
"Oh baby this one's for we too"  
Which in the end is you anyway

How come twenty four hours  
Baby sometimes slip into days  
A minute seems like a lifetime  
Oh baby when I feel this way

There was a time that I stood tall  
In the eyes of other men  
But by my own choice I left you woman  
And now I can't get back again

How come twenty-four hours  
Sometimes slip into days

Well well well  
A minute seems like a lifetime  
Baby when I feel this way  
A minute seems like a lifetime  
Oh baby  
When I feel this way...I feel this way

**Hot Dog**

Well I just went into town today \*  
To find my girl who's gone away  
She took the Greyhound from the general store  
I search myself I search the town  
When I finally did sat down  
I find myself no wiser than before

She said we couldn't do no wrong  
No other love could be so strong  
She locked up my heart in her bottom drawer  
Now she took my heart she took my keys  
>From in my old blue dungarees  
And I'll never go to Texas anymore

Now my baby's gone I don't know what to do  
She took my love and walked right out the door  
And if I ever find that girl I know one thing for sure  
I'm gonna give her something like she never had before

I took her love at seventeen  
A little late these days it seems  
And they said heaven knows who she's waiting for \*  
I took her word I took it all  
Beneath the sign that said U-haul  
Sweet little angel's hanging around for more

Now my baby's gone I don't know what to do  
She took my love and walked right out the door  
And if I ever find that girl I know one thing for sure  
I'm gonna give her something like she never had before

I thought I had it all sown up  
Our love, a plot, a pickup truck  
But folks said she was after something more  
I never did quite understand  
All that talk aout rocking bands  
But they just rolled my doll right out the door  
They just rolled my doll right out the door  
Why---theyjustrolledmydollrightoutthedoor

**All My Love**

Should I fall out of love, my fire in the night,  
to chase a feather in the wind;  
within the glow that weaves a cloak of delight  
there moves a thread that has no end.

For many hours and days that pass ever soon,  
the tides have caused the flame to dim.  
At last the arm is straight, the hand to the loom.  
Is this to end or just begin?

Chorus:

All of my love, all of my love, oh,  
all of my love to you, now.  
All of my love, all of my love,  
all of my love to you, now.

The cup is raised, the toast is maade yet again;  
one voice is clear above the din.  
Proud Arian one word, my will to sustain.  
For me, the cloth once more to spin. Oh.

repeat chorus

Yours is the cloth, mine is the hand that sews  
time,  
his is the force that lies within.  
Ours is the fire, all the warmth we can find.  
He is a feather in the wind. Oh.

repeat chorus and fade

**Carouselambra**

Sistres of the way-side bide their time in quiet  
peace,  
await their place within the ring of calm;  
still stand to turn in seconds of release,  
await the call they know may never come.  
In times of lightness, no intruder dared upon  
to jeopardize the course, upset the run;  
and all was joy and hands were raised toward  
the sun  
as love in the halls of plenty overrun.

Still in their bliss unchallenged mighty feast,  
unending dances shadowed on the day.  
Within their walls, their daunting formless keep,  
preserved their joy and kept their doubts at bay.  
Faceless legions stood in readiness to weep,  
just turn a cion, bring order to the fray;  
and ev'rything is soon no sooner thought than  
deed,  
but no one seemed to question anyway.

How keen the hunter's eye prevails upon the  
land  
to seek the unsuspecting and the weak;

and powerless the fabled sat, too smug to lift a hand  
toward the foe that threatened from the deep.  
Who cares to dry the cheeks of those who saddened stand  
adrift upon a sea of futile speech?

Where was your word, where did you go?  
Where was your helping, where was your bow?  
Bow.

Dull is the armour, cold is the day.  
Hard was the journey, dark was the way. Way.

I heard the word; I couldn't stay. Oh.  
I couldn't stand it another day, another day-ay,  
another day, another day.

Touched by the timely coming, roused from the keeper's sleep,  
release the grip, throw down the key.  
Held now within the knowing, rest now within the peace.  
Take of the fruit, but guard the seed.

Held now within the knowing, rest now within the beat.  
Take of the fruit, but guard the seed.  
Take of the fruit, but guard the seed.

### **In The Evening**

(jones/page/plant)

In the evening, when the day is done  
I'm looking for a woman, but the girl don't come  
So don't let her, play you for a fool  
She don't show no pity baby, she don't make no rules

\*chorus: oh, oh, I need your love, I need your love  
Oh, I need your love, I just got to have

So don't you let her, oh, get under your skin  
It's only bad luck and trouble, from the day that you begin  
I hear you crying in the darkness, don't ask nobody's help  
Ain't no pockets full of mercy baby, cause you can only blame yourself

Chorus

Oh it's simple, all the pain that you go through  
You can turn away from fortune, fortune, cause that's all that's left to you  
It's lonely at the bottom, man, it's dizzy at the top

But if you're standing in the middle, ain't no way you're gonna stop

Chorus

Oh whatever that your days may bring  
No use hiding in a corner, cause that won't change a thing  
If you're dancing in the doldrums, one day soon, it's got to stop, it's got to stop  
When you're the master of the off-chance, when you don't expect a lot

Chorus

### **South Bound Saurez**

Baby, when you walk that sweet walk  
Oh, you walk it good, yes you walk it good  
Baby, when you talk that sweet talk  
Oh, it sounds so good, oh so good

With a little bit of concentration  
And a little bit of helpin' hands, yeah  
And a little bit of raving madness  
You know it makes me feel, baby  
Both my feet are back on the ground

And when the rhythm takes me  
It feels so good, oh so good  
Baby if it keeps a-shaking  
It will do you good, oh so much good

With a little bit of stop-a-shakin' shakin'  
And a little bit of ? fly right down?  
And a little bit of sweet con carne  
It makes me feel, makes me feel  
I got my feet on the ground

Ooh now baby, when you move it makes me  
Really feel so good, oh so good  
And I'm so glad, so glad, so glad, so glad  
And I'm good, oh, so good

With a little bit of concentration  
And a little bit of helping hand  
And a little bit of ? saving madness?  
You know it makes me feel, baby  
I'm back on the ground oh yes, sure does  
It makes me feel back on the ground.

I'm feelin' good child!  
Down on the ground.  
Sha la la la...

### **Fool In The Rain**

(jones/page/plant)

Well there's a light in your eye that keeps  
shining  
Like a star that can't wait for the night  
I hate to think I've been blinded baby  
Why can't I see you tonight?

And the warmth of your smile starts a-burnin'  
And the thrill of your touch gives me fright  
And I'm shaking so much, really yearning  
Why don't you show up, make it all right?  
Yeah, it's all right.

And if you promised you'd love so completely  
And you said you would always be true  
You swore that you would never leave me,  
baby:  
What ever happened to you?

And you thought it was only in movies  
As you wish all your dreams would come true  
It ain't the first time believe me, baby  
I'm standin here feeling blue  
Yeah I'm blue

Now I will stand in the rain on the corner  
I'll watch the people go shuffling downtown  
Another ten minutes no longer  
And then I'm turning around

The clock on the wall's moving slower  
My heart it sinks to the ground  
And the storm that I thought would blow over  
Clouds the light of the love that I found

Now my body is starting to quiver  
And the palms of my hands getting wet  
I've got no reason to doubt you baby,  
It's all a terrible mess

I'll run in the rain till I'm breathless  
When I'm breathless I'll run till I drop, hey  
The thoughts of a fool's kind of careless  
I'm just a fool waiting on the wrong block, oh  
yeah  
Light of the love that I found...

### **Hot Dog**

(page/plant)

Well I just got into town today  
To find my girl who's gone away  
She took the greyhound at the general store  
I searched myself I searched the town  
When I finally did sit down  
I find myself no wiser than before

She said we couldn't do no wrong  
No other love could be so strong  
She locked up my heart in her bottom drawer

Now she took my heart she took my keys  
From in my old blue dungarees  
And I'll never go to texas anymore

\* chorus: now my baby's gone I don't know  
what to do

She took my love and walked right out the door  
And if I ever find that girl I know one thing for  
sure  
I'm gonna give her something like she never had  
before

I took her love at seventeen  
A little late these days it seems  
But they said heaven is well worth waiting for  
I took her word I took it all  
Beneath the sign that said u-haul  
She left angels hangin round for more

Chorus

I thought I had it all sewn up  
Our love, a plot, a pick-up truck  
But folks said she was after something more  
I never did quite understand  
All that talk about rockin' bands  
But they just rolled my doll right out the door  
Oh yeah, they just rolled my doll right out the  
door!

### I'm Gonna Crawl

(jones/page/plant)

Oh she's my baby, let me tell you why  
Hey, she drives me crazy, she's the apple of my  
eye  
'cause she is my girl, and she can never do  
wrong  
If I dream too much at night, somebody please  
bring me down

Hey, I love that little lady, I got to be her fool  
Ain't no other like my baby, I can break the  
golden rule  
'cause I get down on my knees, oh, I pray that  
love won't die  
And if I always try to please, I don't know the  
reason why, yeah

If she would come back, only stay with me

Every little bit of my love, etc., I give to you  
girl

I don't have to go by plane  
I ain't gotta go by car  
I don't care just where my darling is  
People I just don't care how far  
I'm gonna crawl  
I don't care if I got to go back home  
I don't care what I got to stand to her back  
I'm gonna crawl  
I'm gonna move the car, baby  
She give me good lovin  
Yes I love her, I guess I love her  
I'm gonna crawl.

**Poor Tom**

Here's a tale of Tom  
Who worked the rivers run

His wife would cook his meat  
As he would care at the wheel

Poor Tom, Seventh Son, Always knew what's  
goin on

Ain't a thing that you can hide from Tom  
There ain't nothing that you can hide from Tom

Worked for thirty years  
Sharin' hopes and fears  
Dreamin' of the day  
He could turn and say:

Poor Tom, work's gone, lazin' out in the  
noonday sun

Ain't a thing that you can hide from Tom  
Ain't nothing that you can hide from Tom

His wife was Ellie May  
One of many games she played  
When Tom was out of town  
She couldn't keep her dresses down

Poor Tom, Seventh Son, always knew what's  
goin on

Ain't a thing that you can hide from Tom  
Ain't nothing that you can hide from Tom

And so it was one day  
People got to Ellie May  
^^^^^^^^^(I'mopentosuggestions)  
Tom took a gun in his hand  
And stopped all the runnin' around

Poor Tom, Seventh Son, gotta die for what  
you've done

All those years of work are thrown away  
To ease your mind is that all you can say?  
But what about that grandson on your knee?  
And railroad's son is the best he could be

Ain't nothing that you can hide from Tom  
Ain't a thing that you can hide from Tom  
Ain't a thing that you can hide from Tom  
There ain't nothing that you can hide from Tom

Keep-a Truckin'  
Keep-a Truckin'

**I Can't Quit You Baby**

I can't quit you babe  
Woman I think I'm gonna put you down for a  
little while  
I can't quit you babe  
I... think I'm gonna put you down for a while

I said you messed up my happy home  
Made me mistreat my only child

You built my hopes so high  
Baby then you let me down so low  
You built my hopes so high then ya let me  
down... so low  
Don'tcha realize sweet baby?  
Woman I don't know... which way to go

Woman I can't quit you babe  
I think I'm gonna put you down for a while

### **Bonzo's Montreux**

(really cool drum instruental)

### **Wearing And Tearing**

It starts out like a murmur  
Then it grows like thunder  
Until it bursts inside of you  
Try to hold it steady  
Wait until you're ready  
Any second now will do  
Throw the door wide open  
Not a word is spoken  
Anything that you want to do

Ya know, ya know, ya know...

Don't you feel the same way?  
Don't you feel the same way?  
But you don't know what to do  
No time for hesitatin'  
Ain't no time for hesitatin'  
All you got to do is move  
They say you're feeling blue, well  
I just found a cure  
It's a thing you gotta do, yeah

Ya know, ya know, ya know...

Now listen:  
You say your body's aching?  
I know that it's aching  
Chill bumps come up on you  
Yeah, the funny fool  
I love the funny fool  
Just like foolin' after school  
And then you ask for medication  
Who cares for medication  
When you've worn away the cure

Ya know, ya know, ya know...

Go back to the country  
You go back to the country  
Feel a change is good for you  
When you keep convincin'  
Ah, don't keep convincin'  
What's that creeping up behind a you?  
It's just an old friend  
It's just an old friend  
And what's that he's got for you?

Ya know, ya know, ya know...

Do your dance do your dance do your dance  
Ooooooh, medication  
Medication!  
Medication!
